YOU MUST COMPLETE THE FOLLOWING CHECKLIST, and submit 2 sets of the information with the application. All documents must be pre-sorted into sets, and all plans must be pre-folded down to a size not exceeding 9 inches by 14-1/2 inches. Please include **ONLY** the plan sheets needed. **DO NOT** submit entire sets of construction drawings.

Plans showing the following on-site, and surrounding affected areas:

- () 19. existing and proposed grades;
- () 20. location of all proposed stockpiles;
- () 21. names and addresses of all proposed and existing property owners;
- () 22. color photographs of the site;
- () 23. If the project required previous approval by the Planning or Zoning Boards, **you must submit a letter stating that all conditions of the approval have been met.** Those conditions are listed in the Board's "Resolution" of approval. Otherwise, this application will be considered premature;

- () 24. report by an independent testing company that the fill is certified clean, and does not have an unacceptable amount of hydrocarbons, heavy metals (cadmium, lead, chromium, copper, zinc, mercury and arsenic), herbicides, pesticides, oils, tars, PCBs and dioxins.

ATTESTATION: This application and the enclosed supporting information and plans are submitted for approval pursuant to the Land Fill Ordinance, Chapter 18B of the Revised Codification of General Ordinances of Piscataway Township.

I hereby swear that I understand the provisions, and will adhere to the principles and requirements of the above codes, and that the information submitted herein is true and accurate to the best of my knowledge.
