Mr. David Martin, Manager
Bureau of Traffic Signals & Investigations
New Jersey Department of Transportation
1035 Parkway Avenue
Trenton, N.J. 08625

Dear Mr. Martin,

As required by the NJ statute, P.L.2007, c.348 (C.39:4-8.14 et seq.), governing the installation and operation of traffic monitoring systems (red light cameras), this letter is provided as the municipality's certification that the RLC systems listed below have been maintained and are operating properly according to their original design for the period of June 2012 to December 2012.
